The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. All throughout American history, the Rifleman has been defined as a marksman capable of hitting targets from 500 yards away! This 500-yard range is traditionally known as “the rifleman’s quarter-mile.” A rifleman can hit just about any target he can see.

Learn the “Six steps to firing the shot.” Learn correct firing positions and proper use of the sling. Hear some little-known Revolutionary War history and reaffirm your heritage. Become a more influential citizen and make America a better place.
